At the core of Eco City is a collection of individual plots offering a breathing view of :

- Gaborone Dam
- Kgale Hill
- Modern Infrastructure Development

Where opulence and nature **embrace.**

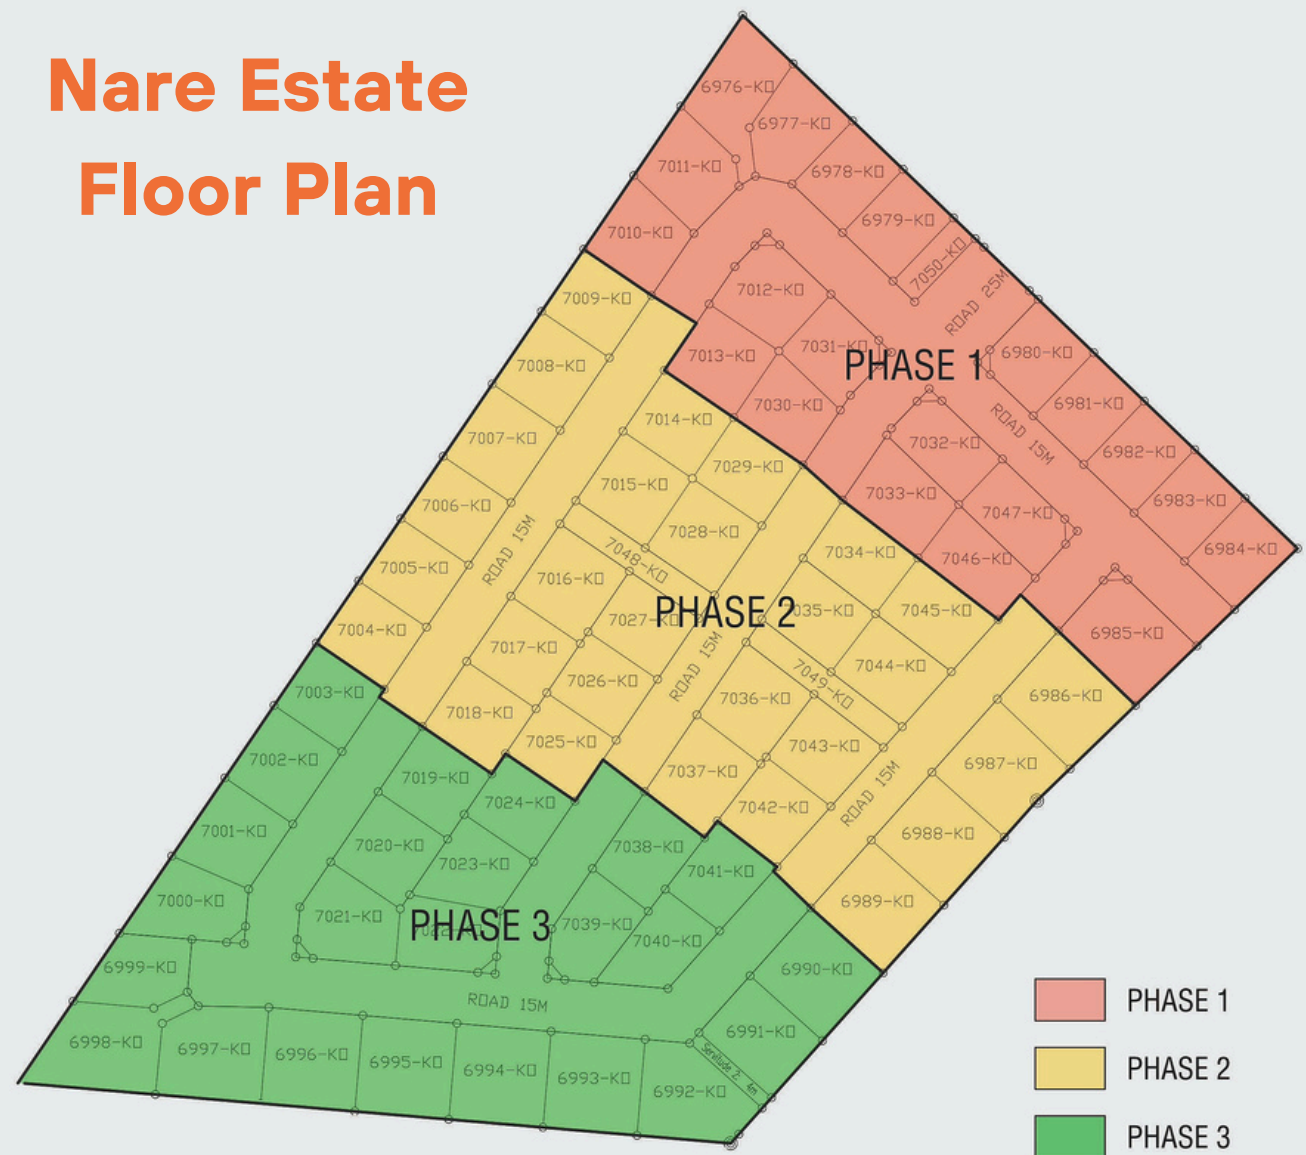

Welcome to Eco City

An innovative residential and retail development designed to offer contemporary, eco-friendly living in the heart of Gaborone. Blending luxury with nature, Eco City provides high-quality, affordable housing and commercial spaces that reflect its commitment to sustainability and community.

Nestled near Old Naledi, this development is set to empower the surrounding community. Residents and visitors will enjoy access to a 3815 sqm mall, offering a range of retail outlets, as well as a filling station, all designed with convenience and luxury in mind.
